Sir:

In reviewing the Official Filing Receipt we noted the following errors:

## PATENT

On November 20, 2003 we filed two priority documents with the United States Patent and Trademark Office in the above-referenced application, German Patent Application Nos. 102 51 377.5 filed November 1, 2002 and German Application 102 58 375.7 filed December 12, 2002. A copy of the submission, as well as the return receipt postcard date stamped received by the United States Patent and Trademark Office on November 24, 2003, is enclosed. However, the Official Filing Receipt, Foreign Applications, lists only GERMANY 102 58 375.7 12/12/2002. Please correct the Official Filing Receipt to show German Patent Application No. 102 51 377.5, filed November 1, 2002.

Also, when the application was filed on October 31, 2003, one of the Applicants was listed as Hans-Michael Werner of Dresden, Germany. On March 1, 2003 we filed a Response to Missing Parts of Non-provisional Application with the inventor's name listed correctly as **Frank-Michael Werner**. A copy of this submission is enclosed.

A copy of the Official Filing Receipt with the corrections noted in red is enclosed. Applicants do not believe that any fee is due in connection with the submission of this paper. However, if any fee is due, or if any overpayment has been made, the Commissioner is authorized to charge any such fee or credit any overpayment, to our Deposit Account No. 02-4277. A duplicate copy of this sheet is enclosed.

Respectfully submitted,
